Dear Lilienthal Community,

With Thanksgiving upon us, it's always a good time to reflect on the things we're thankful for. As you hear me say all the time, we're really lucky here at Lilienthal. Over the years, we've created a really wonderful school community. Since the early '80s Lilienthal has been a place that has focused on providing an academically rich environment for children from every corner of our city. It's been a school that encourages parent participation and keeps equity at the center of the work we do. For that, I'm extremely grateful.

I'm thankful for our kids. Every day I come to work, our students put a smile on my face. They have fun with each other on the playground, work hard together in the classroom, and they're constantly building relationships that will last for years. They're artistic, adventurous, curious, and athletic.

I'm also grateful for our wonderful teachers. We have teachers who work long hours for our kids. They're constantly learning and working towards implementing our key initiatives across the school. They're communicative with families, creative in

their lesson planning and compassionate in the way they support our children.

I'm also thankful for all of you! Our parent community here at Lilienthal is highly engaged in our school and with the education of their children. You all do a wonderful job supporting our school with your volunteer hours, donations, and kind words. Every school tour we host is loaded with families interested in what we do because of your word of mouth recommendations. Thank you for all you do for our school!

If I don't see you between now and Friday, enjoy your week off and the time you'll spend with friends and family! We'll be eagerly awaiting the return of your kids on Monday 11/27!

*Happy Thanksgiving,
Tyler Graff*

San Francisco Food Bank barrels

have arrived at both Lilienthal Campuses.

With the holiday season upon us, Claire Lilienthal will be collecting canned food for the SF-Marin Food Bank. Large food barrels are located near the offices at both the Madison and Scott campus. The barrels are available NOW through December 14th.

The most needed items are:

- Tuna, canned meat, peanut butter, soup, chili, beans, cereal, canned fruit and vegetables, whole grain rice, pasta and oats, (please no glass or perishable items)

International Family Potluck Night

Don't forget! Please join CL students, families and faculty for an international potluck dinner on Thursday, November 16, 6pm at Scott Campus. Let's celebrate the international diversity of the CL community. Please bring a home-cooked dish from your cultural heritage that serves 10-12 people per family. Questions? Contact

clpta.message@gmail.com.

PARENT TEACHER CONFERENCE

WEEK is the week of November 27. School will be closed one hour earlier each day.

Grades K – 5 Conferences: You should have received a notice of available parent/teacher conference slots from your child's classroom teacher if your child is in grades K – 5.

Middle School Conferences: Middle school teachers schedule conferences with priority based on need. You should have received a phone call from your child's teacher if a conference is necessary. **MS teachers will also be available for all interested parents during "Arena Conferences" in the auditorium Tues., 11/28, Wed. 11/29, and Thurs., 11/30 from 1:00 to 3:00 pm. Call Candy ahead of time to reserve a ten minute time slot with each teacher you wish to see.**

Scholastic Book Fair – Madison Site

Stock your home library with new books for your advancing reader or get your holiday shopping out of the way at the Scholastic Book fair! The fair will be held December 4 - 8th between 7:45 and 9:45am and 1:30 to 5:30pm on the stage in the auditorium at Madison campus.

We're also **looking for volunteers** to work the fair. Please contact Kimi Ueda at kimiueda@yahoo.com or sign up on the School Pages website on the Volunteer page.

Renegade Kids After-School Classes

Winter registration is now open!

Tinker Your Future! It's Career Day for Renegades.

What might the future hold? We explore a myriad of professions with science, technology, engineering and math foundations. What kinds of scientists are there? What is a tech worker? Our Renegades will explore fields they may not know existed, and others they may be curious about. Future biomedical engineers build a prosthetic limb. Budding chemists mix polymers to create resin shapes. We investigate how physics and engineering come together to create a zip line for a theme park.

20th Annual Staff Appreciation Luncheon

The annual Staff Appreciation Luncheon is our community's opportunity to come together to recognize Claire Lilienthal staff for their unparalleled dedication to our children. The committee is planning a three-course lunch at a favorite San Francisco restaurant on Friday, February 2. We greatly appreciate you making a donation to fund this event. If you would like to donate electronically, you may do so via PayPal or Venmo to ClaireLilienthalDonation@gmail.com. Please add a note indicating how you would like your name to appear on Donor List. Cash or check made out to CL Staff Appreciation will be accepted at either campus - see flyer being sent home with your child for details.

NO SCHOOL NEXT WEEK, MONDAY THROUGH FRIDAY, 11/20 – 11/24 – THANKSGIVING BREAK
