Dear Lilienthal Community,

Our Starlight Auction is right around the corner, on the evening of March 9th! If you haven't picked up your tickets yet, please do so soon ([here](#)). It's a really wonderful evening and this year's theme is Havana Nights which will be a lot of fun. It will be a great night of fundraising, community building, and celebrations!

If you're planning on attending, get your friends together and purchase a table together, it will make the evening that much more fun! The more people we get to attend the more fun we'll have.

We're also looking for some more volunteers to make this amazing community event happen! Please sign up and volunteer to help out at the event. We need people to help, especially in the days leading up to and after the Auction. You can sign up on [School Pages](#) if you'd like to roll up your sleeves and help make this happen.

You can also help out by [donating a Count Me In experience!](#) or by promoting your business with a [Corporate Sponsorship](#). [Family Sponsorships](#) are also available if you're interested! Anything you can give goes a long way in making this evening a special one.

The generosity of this community is second to none. For years the parents of Claire Lilienthal have done amazing things in supporting this wonderful school. From enrichment experiences and arts programming to professional development for teachers and extra support for struggling readers, your fundraising has made our school a wonderful place for all students to learn, grow, and thrive.

I look forward to seeing you all at the auction and toasting to your generous support of our students and teachers!

With appreciation,

Tyler Graff

Principal, Claire Lilienthal K-8
