Dear Lilienthal Community,

Last Friday's Starlight Auction was another wild success! A huge thanks goes out to Julia Gaw, Cathy Tran, and the entire Starlight Auction Committee. It's evenings like this that show the true nature of our wonderful community. Not only did we raise a good deal of money for our children, we came together to have fun and celebrate what we continue to do together. As I'm sure you all know, the number of hours that goes into putting on event like this is endless. To all of you who donated an auction item, raised your paddle, bought a ticket, or helped out behind the scenes; thank you! We're really lucky to have the parent group we have here at Lilienthal.

These funds we raised last weekend will go a long way to continue supporting our enrichment programs, tiered reading support for our students, social-emotional support, and world-class professional development for our amazing teaching staff. We'll also purchase two carts of Apple computers to augment the Chromebooks we already have on campus. These will help us engage our students with more innovative and creative software programs that we can't access through our Chromebooks.

Again, I want to thank all of you for supporting our school. The help you give your kids at home, the hours you put into making our special events happen, and the fundraising you do, all help to maintain Lilienthal as one of the premier public schools in the city of San Francisco.

With deep appreciation,
Tyler Graff
Principal, Claire Lilienthal K-8

Thank you Claire Lilienthal Community!

Thanks to the amazing Claire Lilienthal

*community **Starlight Auction: Havana***

***Nights** was a huge success!! Because of the generosity of our parents we raised over \$330,000, all while enjoying some delicious Cuban inspired cuisine, rocking some truly amazing outfits and getting our Havana on dancing the night away! It was a wonderful night of fun, community and friendships proving once again that Claire Lilienthal is the best school in San Francisco!*

*So give yourself a pat on the backs for another wonderful night! And as always, thank you to the all the teachers and staff at Claire Lilienthal, you are all the heart and soul of the school and we deeply appreciate all that you do for our kids! **Count-Me-Ins** can still be purchased!*

*Due to popular demand, we are re-opening **Count-Me-In** sales for a limited time. You have until **Wednesday, March 21st** to purchase any **Count-Me-Ins** with open spots! Hurry so you don't miss out!*

Thank you to our volunteers!

It took a village to make Starlight happen and we could not have done it without an army of amazing volunteers! A huge thank you to everyone who stepped up to give their time and resources to the event! You are all amazing!!

Check out some pictures!

Korean Art Class

8 weeks in April and May

We are excited to offer art class at Scott campus Fridays 2:15-3:30 & 3:45-5:00 April 6-May 25 for 3rd to 5th graders at Claire Lilienthal. These classes will be run by two Korean artists/teachers in Korean. Students will not only learn about art and techniques but also and learn more about Korea and practice their Korean Language through various art activities: Painting, Drawing, 3D project, Design and Mixed Media. Students can sign up for the entire 8 weeks or individual session. We offer prorated options for art classes that have already started. Please email info@nine.education for registration and more info. www.nine.education See flyer attached in School Messenger email by Ms. Candy.

STEM Renegade Kids On-Campus After School Classes

Registration is now open and classes start this week! *Late registrations are welcome.*

Tinker Challenge! For our most intrepid and creative inventors! Tinker Challenge offers tinkerers exciting challenges every week. Each week they are presented with a new problem and given a set amount of materials to use. There is no predetermined answer, the path is open-ended, but has a desired outcome. Sometimes individually, and sometimes as a team, we guide Renegade Kids to figure out for themselves how to address each challenge with the materials provided. **Questions?** Email us at RenegadeGirlsTinkering@gmail.com
